¹ This number represents the number of eligible voters who accessed the ballots. Completion rates varied in specific residential populations.

² Voter turnout of 10% of all eligible voters compares to fall election turnout of 13% in 2022, 16% in 2021, *33.5% in 2020, 20% in 2019, 22% in 2018, 7% in 2017, 11% in 2016, 10% in 2015, 16.1% in 2014, 18.2% in 2013, 22.1% in 2012, and 14.6% in 2011, *The all-university seats and academic senator elections typically happen in spring but were postponed in spring 2020 because of the COVID-19 pandemic and instead held in fall 2020, which is likely why the voter turnout in fall 2020 was higher than the typical average fall turnout.
