<sup>1</sup> This number represents the number of eligible voters who accessed the ballots, 7246 of which were full time students able to vote on the ballots for MUSG president/EVP and academic senators. Completion rates varied in specific college populations.

<sup>2</sup> Voter turnout of 24% of all eligible voters compares to election turnout of 33.5% in fall 2020, 31.1% in spring 2019, 25.9% in spring 2018, 22.8% in spring 2017, and 28.4% in spring 2016. Fall 2020 turnout rate is noted because the all-university seats and academic senator were held in fall 2020 because of the COVID-19 pandemic.
